Introduction

The Alberta Junior Curling Tour was created in 2011 in hopes of creating meaningful competition to help develop high-end curling teams to represent the Province of Alberta at Canada Winter Games, U18 Nationals and U20 Nationals. Until the 2020-2021 season many junior-aged curlers saw their season end near Christmas, as only one U20 team represented the province at Nationals. The Alberta Junior Curling Tour formed to extend the competitive season into March by creating additional cash spiels (AJCT Player's Championship, AJCT-run invitational events, etc.) across the province.

General Information

Registered teams will collect points from tour events as listed on the website [here](#). Points will be awarded based on the [Alberta Junior Team Ranking System \(AJTRS\)](#) structure. All Alberta Junior Curling Tour events are to be played under the "Rules for General Play" in the latest edition of the rulebook published by Curling Canada.

Teams will be comprised of four (4) U20/U18/U15 Men's curlers or four (4) U20/U18/U15 Women's curlers. Curlers may be registered in a maximum of one (1) team per division, only for the reason of age differences (e.g., a player is on different U20 and U18 teams). Three (3) members of the registered team must remain the same throughout the season for the team to earn points. Based on [Curling Canada's guidance](#), age eligibility will be evolving over the next few years and the AJCT will be following suit.

Transportation, accommodation and meals are at the expense of each team during their travels to and from each event on the tour. The local host committee will advise you of any functions provided at each event. The AJCT is not responsible for any damages, loss or other harm caused by transportation to and from, and general participation at any AJCT events.

Teams registering with the AJCT consent to having their pictures and team information displayed for purposes of promotion of the tour. This may include but is not limited to the AJCT website, social media pages, brochures, or other purposes as deemed necessary. The information provided to the AJCT at registration is used for contact and information purposes only. Teams and/or players can withdraw their consent at any time with written notice to the AJCT.

Alberta Junior Curling Tour Sponsorship

If the Alberta Junior Curling Tour has sponsors for the season or select events throughout the season, it is on request by the Tour that these logos will be displayed at events across the province. The Alberta Junior Curling Tour will provide host committees with signs or banners as necessary. The host committee is still permitted in these situations to display their own sponsors, and when requested by the tour, tour sponsors are displayed as well.

If you are interested in partnering with the tour, please reach out to albertajuniorcurling@gmail.com.

Rules and Regulations

Curling is based on a code of ethics, good sportsmanship and personal integrity. You are expected to follow this tradition and the rules of the game throughout the competition. Please become familiar with the rules and regulations of the AJCT as follows.

Player Eligibility

The Alberta Junior Curling Tour is open to Men's and Women's teams of U20, U18 or U15 eligibility as defined by [Curling Canada](#). The Alberta Junior Curling Tour requires that a **minimum of three (3) players from the registered team must be present to earn points for the event**. As well, a maximum of one (1) spare may be used to earn points. If a team member is unable to compete in an event, a spare or replacement may be used, however this player may not be currently registered within the specific event and must respect event and AJCT rules regarding spares and replacements.

Event Eligibility

All events on the Alberta Junior Curling Tour are required to follow specific criteria as outlined in our [Event Criteria and Bonspiel Information](#) booklet.

- For the 2022-2023 season there is no minimum team requirement at events.
- Divisions **must** be separated by gender.
- Double knockout, triple knockout, and round robin pool formats are acceptable with the simple conditions that the five rock Free Guard Zone Rule must be used and games must be 8 ends.

Brush Head Moratorium

All Alberta Junior Curling Tour Events will be required to follow the brush head moratorium put in place by Curling Canada. Failure to comply with this moratorium will result in consequences deemed appropriate by the AJCT and host event committee. Teams may be deemed ineligible for points and could face disqualification from the AJCT.

Pre-Competition Practice

Unless noted in a Pre-Competition meeting or outlined by your host committee, there will not be any pre-competition practice of any kind. Please check each individual bonspiel's rules.

Dress Standards/Cresting

It is a request that at all events of the Alberta Junior Curling Tour the guidelines from Curling Alberta are followed. Please educate yourself on the dress standards required for Curling Alberta-sanctioned events (qualifiers and provincials).

- The AJCT will not regularly enforce a dress policy at its events. However, if a tour event has a request (e.g., business casual at banquets, matching uniforms for televised events), teams will be notified and compliance is expected.

Team Sponsorship

Teams entered in AJCT events are more than welcome to wear sponsor logos on uniforms, as well as bring a sign/banner with sponsor logos. It is up to the discretion of individual bonspiel organizers to inform teams on where banners and signs may be placed in their facility.

Electronic Devices

No electronic devices of any type are allowed in the playing area during the course of a game. Teams may stream their games provided the host committee allows it. If your team does not consent to streaming of your games, please let both the AJCT and opposition coach(es) know.

Microphones

One-way communication devices such as microphones are allowed by the AJCT as a training device.

Media

It is requested that all players and coaches cooperate with the media and grant interviews when requested. Please remember, there is no such thing as an “off the record” comment. Players are representatives of the AJCT and must conduct themselves in a respectful manner.

Enhanced Coaching Involvement (ECI)

The purpose of the ECI pilot project is to allow coaches to better support their teams by giving them more convenient and frequent access while the game is underway.

This begins by allowing coaches to sit on the backboards, where they are better able to listen in on their teams’ conversations. Furthermore, in U15, U18, and U20 categories the ECI pilot project also gives them the opportunity to interact with their teams a pre-determined number of times each end.

It is expected of the host clubs to follow the ECI pilot. For more information about ECI, please visit <https://curlingalberta.ca/wp-content/uploads/2022/09/Enhanced-Coach-Involvement-2022-23.pdf>

Points Allocation

The AJTRS will be in effect for the 2022-2023 season. Please review [this document](#) to ensure you are familiar with the changes.

Tiebreakers

Teams with equal quantity of points earned throughout the season will be considered tied. The following process will break ties, which will rank teams into prior to the start of the event. If the first rule does not declare a winner, proceed to the next ruling.

1. If tied, the team with the most first place finishes on the Alberta Junior Curling Tour will receive the tiebreaker.
2. If still tied, the team with the most second place finishes on the Alberta Junior Curling Tour will receive the tiebreaker.
3. If still tied, the team with the better U20 or U18 qualifier result will receive the tiebreaker. (Teams who qualify for provincials surpass teams who only qualified for regionals). In the event teams have identical records, teams remain tied.
4. If still tied, the team who has won more head-to-head games at tour events will receive the tiebreaker.

AJCT Players' Championship

The qualification system for the 2023 AJCT Players' Championship is still to be determined. Typically this is an invitational event that includes the top teams on the Tour. Invitations are based off results from the Provincial Championships as well as standings on the AJTRS. Please stay tuned for more information!

AJCT U21 Mixed Doubles Tour

After a successful inaugural season, we are very excited for the second year of the AJCT U21 Mixed Doubles Tour! Information will be released as it becomes available.

Conduct

The Alberta Junior Curling Tour is a showcase of the finest curling talent (U20, U18 and U15) in our province. Players are required to conduct themselves on and off the ice in an appropriate manner. Please see your regional Code of Conduct policy.
